"Imperfect Beauty" by Rick Parnell (Classic Rock Artist from Canada)

Diane and the RadioIndy.com Reviewer Team

Rick Parnell releases his latest CD, "Imperfect Beauty," featuring an excellent collection of Rock/Folk songs. Parnell and his fellow musicians create an album that is brimming with thought provoking lyrics and soulful melodies. The song, "For a Song (feat. Hart Parnell)," has laid back vocals that sing the interesting lyrics with emotive style. "Desire (feat. Hart Parnell)," has a smooth rhythmic groove that also features some great guitar riffs. The track, "One For You (feat. Hart Parnell)," has a Bluesy feel as the mellow vocals are complemented by solid drums and soulful guitar hooks. If you are into the musical likes of Bob Dylan or The Traveling Wilburys, then you will enjoy the terrific songs on the album, "Imperfect Beauty."
